

GAIL took a major step towards complete digitization, centralization and automation of its payment processes with the inauguration of its first state-of-the-art centre for Vendor Invoice Management (VIM) - Shared Service Centre (SSC) which has been partnered with IBM Consulting. Titled 'SARATHI', the centre is a modern facility that will serve as a pan-India hub for processing and managing vendor invoices. The GAIL centre went live with SAP-OpenText's Vendor Invoice Management.
