

GAIL showcases its march towards a sustainable future

GAIL Ltd, a partner organisation of the prestigious India Energy Week being held in Bengaluru from Feb 6-8, is showcasing its commitment towards a cleaner and greener future at the exhibition being held on the occasion.

The theme of the GAIL stall, 'Energising a Sustainable Future', is an affirmation of the Company's mission statement- "Enhancing quality of life through clean energy and beyond." The GAIL stall uses a variety of technologies to showcase the Company's portfolio and its march towards new energy sources.
