VGRC seminar charts growth roadmap for Gujarat chemicals sector

A special seminar on “Transforming Chemicals and Petrochemicals in Gujarat” was held at Auro University during the Vibrant Gujarat Regional Conference (South Gujarat Zone), bringing together industry leaders and policymakers. The Government of Gujarat facilitated MoU exchanges with industrialists to boost sectoral growth. Experts from Atul Limited, Reliance Industries Limited, Kiri Group of Companies and GAIL discussed emerging opportunities and strategic priorities. The seminar highlighted innovation, investments and global collaboration as key drivers for Gujarat’s expanding chemicals and petrochemicals ecosystem.
